

CALL FOR PAPERS

About IWSA 2025

IEEE Macau AP/MTT Joint Chapter is hosting an event featuring the **IEEE 2025 International Workshop on Wireless Sensing Technologies and Applications (IWSA 2025)**, which continues the legacy of its two successful editions held since 2023. This event will include keynote speeches and technical papers, bringing together industry leaders, academics, and global participants.

The objective of **IWSA 2025** is to foster innovation in wireless sensing through RF and photonic technologies, bridging the gap between academia and industry. We look forward to providing an engaging and inspiring experience for all participants.

We invite you to participate in the **IWSA 2025**, an event dedicated to advancing research and innovation in the fields of RF, microwave, millimeter-wave sensing technologies. The workshop will provide a unique platform for researchers, practitioners, and industry professionals to share their latest findings, exchange ideas, and explore collaborations in this evolving domain. Outstanding regular papers and student papers based on original research will be selected and awarded. The accepted papers will be included in IEEE Xplore.

Submission Guidelines:

- Papers should present original work with specific results.
- All papers must be in English and strictly two pages in length, including all text, references, and figures.
- All papers must conform to the standard format. A detailed template is available on the website.
- Papers must be submitted through the website.

Topics of Interest include:

- Microwave/Millimeter-Wave Sensing and Imaging
- Sensing for Industrial Applications
- Remote Sensing and Radar Systems
- Sensing for Internet of Things (IoT)
- Wireless Communication and Sensing
- Passive/Active Circuits and Systems
- Integrated Microwave-Photonics Devices
- Microwave/Millimeter-wave Antennas for Sensing
- Other Related Topics

Important Dates

- Paper Submission Deadline: **October 24, 2025**
- Notification of Acceptance: **November 7, 2025**
- Camera-Ready Paper Deadline: **November 17, 2025**
- Author Registration Deadline: **November 17, 2025**
- Conference Date: **December 5-7, 2025**

Conference Contact Person: Jing-Yi Zhang
