CALL FOR PAPERS

About IWSA 2023

2023 International Workshop on Wireless Sensing Technologies and Applications (IWSA 2023) is a convergence of academia and industry in forms of innovation on wireless sensing from RF and photonic technologies. This workshop contains four events namely Keynotes Speeches, Regular Papers, Industrial Innovation Competition, and Exhibition.

We invite you to participate in the IWSA 2023, an event dedicated to advancing research and innovation in the fields of RF/microwave/millimeter/ photonic sensing technologies. The workshop will provide a unique platform for researchers, practitioners, and industry professionals to share their latest findings, exchange ideas, and explore collaborations in this evolving domain.

Submission Guidelines

- The paper should consist of original work, including specific results.
- All Papers must be in A4 size in English and two pages in length, including all texts, references, and figures.
- All Papers should conform the standard format, and detailed format template is available at the website.
- Paper submission is available at the website.

Topics of Interests include, but not limited to

- RF/Microwave/millimeter and Photonic Sensing and Imaging
- Sensing for Industrial Applications
- Remote Sensing and Radar Systems
- Sensing for Internet of Things (IoT)
- Wireless Communication and Sensing
- Microwave/Millimeter-wave Antennas
- Passive/Active Circuits and Systems
- Integrated Microwave-Photonics Devices
- Others

Important Dates

- Paper Submission Deadline: **October 13, 2023**
- Notification of Acceptance: **October 25, 2023**
- Registration Deadline: **October 30, 2023**

- ◆ Both **Best Paper Awards** and **Student Paper Awards** will be solicited.
- ◆ Besides the above academic papers, few industrial companies will offer “Ask for Solution” innovation competition. Authors of accepted papers with registration are eligible to compete industrial innovation competition with monetary rewards.

For any inquiries or further information, please contact the organizing committee.
